REPORT OF THE DIRECTOR

1987 was a year of change for the Department of Insurance. Through August, 1987, the Department was guided by the leadership of Director S. David Childers. In September, 1987, Director Vern R. Pierson assumed these responsibilities.

The Department of Insurance is organized into four separate divisions: the Hearing Division, the Corporate and Financial Affairs Division, the Consumer Affairs and Investigations Division, and the Rates and Regulations Division. The Hearing Division reports directly to the Director of Insurance, while the other divisions report through the Deputy Director, who is also responsible for the administrative and actuarial functions of the Department. Additionally, the Deputy Director serves as liaison between the Department of Insurance and the two Arizona guaranty funds and is responsible for coordinating and tracking of all receiverships, conservatorships and supervisions conducted by the Department.

The Hearing Division is headed by the Chief Hearing Officer and is responsible for conducting all administrative hearings held by the Department of Insurance. The remaining three divisions are supervised by Assistant Directors, each of whom is charged with overseeing his or her specific responsibilities as prescribed by Arizona Insurance laws and as assigned by the Director of Insurance. In addition to the above, the Director is assisted in legislative activities and policy issues by an Executive Assistant and an Administrative Assistant.

Corporate and Financial Affairs Division

The Corporate and Financial Affairs Division is headed by Assistant Director and Chief Examiner Roy E. Gill, CFE. The Division is responsible for monitoring the solvency of 879 domestic and 1,617 foreign insurers. In discharging this responsibility, the Corporate and Financial Affairs Division reviews the annual and quarterly financial statements filed by domestic and foreign insurers, and also reviews and evaluates the National Association of Insurance Commissioners Insurance Regulatory Information System (IRIS) on domestic and foreign insurers.

In 1987, the Corporate and Financial Affairs Division coordinated 264 financial examinations of domestic and foreign insurers. These "on site" examinations were conducted by field examiners, who are independent contractors. This Division also reviews all foreign reports of examination conducted by other states.

The Corporate and Financial Affiars Division processed and admitted 148 new insurers and reinsurers during 1987, including 85 new domestics and represented the Department at 53 acquisition, merger and withdrawal hearings. This Division also

collected $23,962,304 in premium taxes and other related fees, and an additional $231,687 in penalties and interest during 1987, and is responsible for controlling and maintaining $219,724,459 in statutory deposits.

This Division also provides support and technical assistance to other divisions within the Department, as well as to the Life and Disability and the Property and Casualty Insurance Guaranty Funds as necessary. The accounting and clerical staff responsible for maintaining the Examiners' Revolving Fund are supervised by this Division. It is also the responsibility of this Division to maintain and update insurer records, and to serve as the Department's official "Custodian of Records".

The Corporate and Financial Affairs Division presently has nine full-time employees, along with 25 field examiners and three examination coordinators who are independent contractors.

Consumer Affairs and Investigations Division

The Department's Consumer Affairs and Investigations Division is headed by Acting Assistant Director Jay Rubin. This Division is responsible for implementing the Department's consumer assistance programs and conducting investigations for administrative hearings or litigation regarding violations of Arizona insurance laws. This Division maintains offices in Phoenix and Tucson to provide easier access for Arizona consumers to the Department's services.

The Consumer Affairs Division is presently creating a senior citizens unit to specialize in consumer complaints involving senior citizens and is in the process of planning and organizing a continuing education program for its investigators and consumer specialists so they can better serve consumers. Investigators from this Division are planning to participate in the Arizona Consumer Council Fair, and in other public service programs.

During the past year this Division handled nearly 7,096 written complaints and responded to over 84,654 telephone inquiries. The Division staff, acting as ombudsmen, were successful in assisting Arizona citizens in obtaining settlements from insurers in the amount of over $8.3 million in 1987. The Consumer Affairs and Investigations Division oversees the administration and enforcement of the Unfair Claims Settlement Practices Act, and the Department's regulations adopted pursuant to that law. The Division issued 163 citations for unfair claims practices against insurers during 1987. Division employees conducted 153 investigations of agents, brokers, adjusters and bail bondsmen resulting in 70 cases being referred to the Attorney General's Office for administrative action.

Rates and Regulation Division

The position of Assistant Director of Rates and Regulation is vacant at this time. The Division is comprised of three sections: Licensing, Life and Disability and Property and Casualty.

Licensing Section. The Licensing Section is supervised by Maureen Catalioto. This Section is responsible for issuing insurance licenses to those applicants who qualify in accordance with the applicable Arizona insurance laws and regulations.

The Section also reviews and processes applications for insurance licenses for agents, brokers, adjusters, solicitors, sevice representatives, and risk management consultants. Additionally, it administers title, bail bond and adjuster examinations.

During 1987, the Licensing Section issued 8,174 new life-type licenses and 2,741 property and casualty-type licenses. A total of 24,282 renewal licenses were also issued by year end. At the end of 1987 the number of resident and nonresident licensees totaled 31,132, who in turn held a total of 40,984 licenses.

Life and Disability Section. This Section is supervised by Mary Butterfield. The Life and Disability Section is responsible for reviewing advertising, policy forms, rates (for individual health coverage) and contracts utilized by life and health insurers, health care services organizations, hospital, medical, dental and optometric service corporations and prepaid dental plan organizations. During 1987, this Section reviewed and approved 12,673 form and rate filings including advertising materials, while disapproving 316 filings.

Monitoring consumer complaints against life and health insurance companies and health care services organizations in order to determine the need for market conduct examinations is also a responsibility of the Life and Disability Section. This Section supervises the life and disability market conduct examination program, which involves onsite review of claims and market activities. During 1987, 29 market conduct examinations were completed. The findings of these examinations resulted in civil penalties totaling $15,000 imposed because of violations of the Unfair Claims Settlement Practices Act.

During 1987, the Life and Disability Section developed Acquired Immune Deficiency Syndrome (AIDS) Guidelines regarding the testing and providing of benefits for AIDS. The Guidelines will be followed by companies until rules are formally adopted.

Property and Casualty Section. The Property and Casualty Section, supervised by Deloris E. Williamson, CPCU, is primarily responsible for administering Arizona's insurance laws applicable to property and casualty rates and forms. Additionally, this Section's responsibilities include: regulating service companies, adding unauthorized insurers to the surplus lines list, licensing rating organizations, reviewing workers' compensation bonds and securities, supervising property and casualty market conduct and rate examinations, and monitoring the marketplace by conducting premium comparisons and availability studies.

During 1987, the Property and Casualty Section prepared four major publications for the benefit of Arizona insurance consumers -- the Automobile Premium Comparison, the Homeowners' Premium Comparison, and, in cooperation with the Consumer Affairs and Investigations Division, the Personal Lines Complaint Ratio. All had a similar purpose, to assist the public in the purchase of insurance coverage and the selection of an insurance company:

- the Automobile Premium Comparison compared the premiums of 55 insurers writing over 89% of the private passenger automobile insurance in Arizona. For the same Phoenix hypothetical risk, premium quotations ranged from a low of $297.40 to a high of $678.00 and demonstrated that it is in the best interest of consumers to thoroughly investigate the market in order to obtain the best coverage for their premium dollar. Consumers were cautioned that although price is always a consideration in the purchase of insurance, a consumer should also consider the company's service to its policyholders, its overall reputation, and the type of insurance contract and coverage available.

- the Homeowners' Premium Comparison compared the premiums of 49 companies writing more than 90% of the homeowners' insurance in Arizona. Premiums ranged from $255 to $413 for the same Phoenix hypothetical risk and, again, clearly exhibited the advantages of comparison shopping.

- the Mobilehomeowners' Premium Comparison compared the premiums of 18 companies writing approximately 80% of all the mobilehomeowners' insurance written in Arizona. Premiums ranged from $117 to $246 for the same hypothetical in Mesa.

- the Complaint Ratio brought to public attention those insurers about which the Department had received numerous complaints in 1987. This publication assists the Department in assessing individual company performance during the year, in identifying problems which require prompt regulatory action, and by serving

as a deterrent to "would be" offenders. The Complaint Ratio also permits the Department to most effectively utilize its human resources by targeting insurers to be considered candidates for market conduct examinations.

This Section also supervises the Property and Casualty Market Conduct and Rate Examination Programs. A Market Conduct Examination involves an on-site review of insurance company rating, underwriting, claims, and marketing practices. As a result of examinations conducted in 1987, $136,723 was refunded to Arizona policyholders whose insurers had failed to include taxes and fees in the settlement or improper deductions in settling claims. Additionally, a total of $25,500 in civil penalties was paid by companies found to have been in violation of various Arizona insurance laws at the time of the examination. Also, HB 2034, effective August 18, 1987, authorized the Director to conduct rate examinations to determine if insurers are developing premiums in a manner consistent with their filings and to determine if their files contain adequate documentation of the facts supporting the adjustments made to the premiums. The first rate examination was completed prior to year-end 1987 and resulted in a public hearing after which the examined insurer was ordered to pay a $3,000 civil penalty.

Finally, during 1987, this Section reviewed and processed 20,700 form and rate filings, prepared several technical exhibits, and supported various Divisions within the Department by providing technical assistance.

Hearing Division

The Hearing Division conducted 101 hearings and issued 408 Orders in 1987. In addition, the Division continued to provide legal assistance to the other divisions of the Department of Insurance and assisted in drafting insurance-related legislation and regulations.

During 1987, 36 agents had their licenses either revoked or suspended. Fines in the amount of $60,978.86 were imposed on agents, and restitution and expenses of $40,232.11 were awarded. Two disciplinary matters were dismissed and six orders denying rehearing were issued.

Insurance companies either merging with other insurers, acquiring other companies, or withdrawing from the insurance business led to 53 hearings for the year. Additionally, 19 Orders were issued for a variety of company activities, including disapproval of policy forms and orders requiring reimbursement to insureds as a result of market conduct examinations. 22 Orders were issued either revoking or suspending Certificates of Authority, principally for deficiencies in assets.

Public hearings were held regarding the following subjects:

- Policy Forms with Defense Costs Within Limits or Aggregate (including pollution liability).
- Order Relating to Recognized Surplus Lines.
- Exemption Standards for Filing P & C Forms.

Assistant Attorneys General

The Assistant Attorneys General assigned to the Insurance Department act as counsel to the Director of Insurance and the management of the Insurance Department. Their services include interpreting the Insurance Code and supplying statutory construction analyses in the form of Attorney General Opinions, counsel memoranda and oral communication. The Assistant Attorneys General also represent the Property and Casualty Guaranty Fund and the Life and Disability Guaranty Fund. Additional services include defending suits against the Department, representing the Insurance Department in appeals from the Director's administrative orders, and instituting actions on behalf of the Director to enforce the provisions of the Insurance Code. The Assistant Attorneys General are actively involved in the rehabilitation and liquidation of insolvent insurers, and seek court appointment of receivers and ancillary receivers when necessary.

Other functions performed by the Attorneys General Office include drafting and reviewing notices of hearing, contracts and other legal documents for the Department, responding to correspondence from insurance companies and other state insurance departments, providing advice to the Department on various legal problems which arise in their division, and reviewing all rules proposed by the Insurance Department for legal sufficiency.

In November, 1987, the Department of Insurance, through its Assistant Attorneys General and along with the State Banking Department and the Attorney General's Office, obtained a $2.9 million consent judgment against Aetna Finance Company doing business as ITT Financial Services, ITT Lyndon Property Insurance Company and ITT Consumer Financial Corporation. The consent order was based upon violations of banking and insurance laws, as well as the Consumer Fraud Act by these companies in the sale of insurance to Aetna's small loan customers.

Of the total judgment, $2.6 million will go to consumers as restitution, and the remainder was paid to the three state agencies. In addition, the judgment enjoins the firms from engaging in further deceptive practices.

CIRCULAR LETTER NO. 88-3

TO: ALL INSURANCE TRADE ASSOCIATIONS, INSURANCE MEDIA PUBLICATIONS AND INTERESTED PERSONS

FROM: SUSAN GALLINGER, DIRECTOR OF INSURANCE

DATE AUGUST 30, 1988

RE: 1988 ARIZONA INSURANCE LEGISLATION

The 1987 Arizona Thirty-Eighth Legislature, Second Regular Session has recently concluded. Insurance-related legislation ranged from bills to provide increased consumer protection and benefits to those designed to strengthen the mandatory automobile insurance laws.

In accordance with the Department's practice in the past, the following is a brief summary of the major components of the newly-enacted insurance legislation. The summary is not intended to be either an exhaustive listing or detailed legal analysis of the insurance bills that became law. Rather, the intent here is to describe the main areas where substantive changes in insurance statutory requirements have taken place. This synopsis should not be considered to be a legal opinion or otherwise binding interpretation of the legislation. I encourage all interested persons to obtain copies of the signed bills by contacting the Arizona Secretary of State's Office at (602) 255-4285.

The principal insurance legislation is as follows (reference is to the House or Senate bill number as enacted):

S.B. 1261 - TAXATION COMPUTATIONS AND REVISIONS (CHAPTER 271) (Effective July 1, 1988)

This bill made a number of changes to the tax laws. Of interest to insurers is the increase in insurance premium taxes from 1.7% to 2.0%, effective July 1, 1988. This increase is delayed until July 1, 1989, for hospital, medical, dental and optometric service corporations; health care service organizations; and prepaid dental plans. Also, the tax on fire insurance premiums was increased from 1.9% to 2.2%, also effective July 1, 1988.

H.B. 2052 - HEALTH CARE SERVICES ORGANIZATION (HCSO) REFORM (CHAPTER 28) (Effective April 27, 1988)

This bill, which was passed as an emergency measure, addresses the long-term financial stability of the health care services organization (HCSO) industry and provides safeguards for all enrollees. The bill also includes a limited scope of options for those who find themselves without coverage due to an HCSO insolvency.

Major provisions of the new law include the following:

1. Requires new health care services organizations at the time of certification, to maintain unimpaired capital and surplus which in combination are not less than $1.5 million and not less than $1 million one year after certification and thereafter.

2. Requires existing HCSOs to meet the following incremental requirements as of June 30th for combined unimpaired capital and surplus: 1988-$300,000; 1989-$500,000; 1990-$750,000; and 1991-$1,000,000.

3. Authorizes the Director, after a hearing, to permit existing HCSOs to satisfy their capital and surplus requirements by a surety bond which guarantees services until June 30, 1992.

4. Requires all HCSOs to maintain a deposit with the State Treasurer at all times of not less than $500,000.

5. Requires maintenance of a reserve account to accrue up to a minimum of $1 million. This account will be funded by an assessment of 2% of all collections from enrollees.

6. Requires 60 days notice to enrollees of an HCSO's intention to cancel, and requires notice of such cancellation to the Director of Insurance on request.

7. Prohibits cancellation of coverage because of age, sex, health status, national origin or frequency of utilization of basic health care services.

8. Requires clear delineation of all terms under which an HCSO may cancel coverage or refuse to renew coverage for an enrollee or a group of enrollees.

9. Mandates a hold harmless clause for enrollees in all conracts between HCSOs and participating providers and presumes the existence of such a clause if the written contract does not include it.

10. Requires a plan from each HCSO by which benefits are extended for 60 days or the period for which premiums have been paid, whichever is greater, in case an HCSO is declared insolvent.

11. Prohibits distribution of advertising or sales material until it has been filed with the Director of Insurance and the form or evidence of coverage has been approved (or forty-five days have elapsed without disapproval).

H.B. 2021 - AUTOMOBILE INSURANCE, FINANCIAL RESPONSIBILITY (CHAPTER 251) (Effective September 30, 1988)

This bill mandates that law enforcement officers require evidence of financial responsibility at the scene of all accidents and traffic citations. Motor vehicle insurers are required to provide the Motor Vehicle Division with verification of financial responsibility, and a fine of up to $250 is imposed on insurers and their agents for failure to verify within thirty days (cumulative fine not to exceed $20,000 in any six month period). A mandatory $250 fine is imposed on the motor vehicle owner for display of license plates on any vehicle which has had plates or registration suspended for violation of the financial responsibility provisions of the law or for failure to respond to requests for verification of financial responsibility.

The new law also complements the existing general sample of registered vehicles for verification of financial responsiblity with a random sample of targeted groups, including:

1. All previous violators of the unregistered-vehicle provisions of the law.

2. A cumulative file (six months) of all motor vehicles on which policies have expired or been cancelled within an assigned random month in each calendar year as reported by each insurer.

There is now a mandatory court imposition of all fines and civil penalties upon conviction for violation of the mandatory motor vehicle insurance provisions of the law.

The mandatory motor vehicle insurance statutes were extended from December 31, 1988 to December 31, 1993.

A thirteen-member panel, which includes insurance experts and consumer representatives, will be appointed under this law with a charter to:

1. Study escalating insurance rates for private passenger automobiles.

2. Compare Arizona's rates with those of other states.

3. Examine various rating systems, including prior approval and competitive rating.

4. Examine the impact of the various rating systems on costs and manpower requirements for the Department of Insurance.

5. Examine alternative systems for payment of auto insurance claims and their impact on rates.

6. Make recommendations based on its findings.

The Commission's report must be submitted to the Legislature and Governor, and the Commission terminates December 31, 1989.

Finally, the new law affirms the extension of authority of the Director of Insurance to any person designated by the Director to exercise any power, duty or function vested in the director by law.

H.B. 2057 - HOMEOWNER'S INSURANCE (CHAPTER 94)
(Effective September 30, 1988)

This bill increases the number of conditions which allow valid policy nonrenewal for residential real estate of four or fewer units beyond those applicable to policy cancellation. It expands conditions necessary for policy cancellation to include failure to eliminate risks which have previously contributed to insurance claims, and disallows "substantial change in risk assumed by the insurer" as grounds for cancellation if the insurer should have foreseen or contemplated

the change when it underwrote the policy.

Other significant measures in the bill include mandatory mailing of notification of reasons for cancellation or nonrenewal to policyholders. Insureds will have thirty days notice to take reasonable steps to remedy conditions in or on the premises resulting in nonrenewal. If the conditions are remedied, coverage shall be renewed. If the conditions are not satisfactorily remedied, the insured shall, upon payment of premium, be given an additional thirty days to remedy the defective condition. It also provides that an insured who feels that cancellation or non-renewal is in violation of the law may file an appeal with the Director.

S.B. 1137 - MAMMOGRAPHY EXAMINATIONS (CHAPTER 170)
(Effective September 30, 1988)

This bill requires that any insurance contract which provides coverage for surgical services for a mastectomy must provide mammography for screening and diagnostic purposes incidental to any surgical services or coverage for mastectomy, if issued by any of the following entities: subscription contractors; benefit insurers; health care service organizations; disability insurers; group disability insurers; and blanket disability insurers.

It also requires that mammographic screening be performed on dedicated equipment upon referral by a patient's physician according to the following guidelines: a baseline mammogram for women age thirty-five to thirty-nine; a mammogram every two years or more frequently based on physicians' recommendations for women age forty to forty-nine; and a mammogram every year for women fifty years of age and over.

S.B. 1044 - INSURANCE AGENTS OF RECORD (CHAPTER 91)
(Effective May 20, 1988)

This bill, which was passed as an emergency measure, ensures that agents of record whose contracts with motor vehicle insurers were terminated prior to the enactment of Laws 1987, Chapter 295, will receive customary fees for normal services rendered on or after May 12, 1987.

H.B. 2216 - AUTOMOBILE GLASS (CHAPTER 189)
(Effective September 30, 1988)

This bill requires insurers writing private passenger automobile insurance which includes comprehensive coverage to provide, as an option to the insured, coverage without deductible for the repair or replacement of glass or other material in lights or windows.

S.B. 1158 - HEALTH CARE PROVIDER LIENS (CHAPTER 298)
(Effective September 30, 1988)

Under this law, all licensed health care providers and ambulance services will have the right to place a lien on claims for damages accruing to any person to whom services are rendered for injuries on which the claim is based. The bill also imposes a $250 threshold before any provider (other than hospitals and ambulances of political subdivisions) may record the lien and requires the lien to be recorded within 30 days of the last treatment. Notification of lien recordation to the claimant by certified mail is required within five days of recording. However, a hospital's mere recordation of its lien or claim constitutes full notice even to parties not named in the recorded document. Hospitals are exempt from all other notice requirements.

This was a very productive year that saw the enactment of significant insurance legislation designed to improve the regulation of the business of insurance in Arizona. In recognition of this fact, I would like to acknowledge the help and interest of the Senate Insurance, Retirement and Aging Committee and the House Banking and Insurance Committee and their staff, in obtaining passage of this legislation. Senator Tony West and Representative Jim Meredith, Chairmen of the respective Senate and House committees, played critical roles in overseeing the passage of many of these key measures.

We have examined the statements of assets and liabilities arising from cash transactions of the Arizona Life and Disability Insurance Guaranty Fund as of December 31, 1987 and 1986 and the related statements of cash receipts, cash disbursements, and fund balance for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1(a) of the notes to financial statements, it is the Fund's policy to prepare its financial statements on the basis of cash receipts and disbursements; consequently, revenue and the related assets are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets and liabilities arising from cash transactions of the Arizona Life and Disability Insurance Guaranty Fund as of December 31, 1987 and 1986 and the revenue collected, expenses paid, and changes in fund balance for the years then ended, on the basis of accounting described in Note 1(a) of the notes to financial statements, which basis has been applied in a manner consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplementary data included on page five are presented for purposes of additional analysis and not as a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In connection with our examination, nothing came to our attention that caused us to believe that the Fund was not in compliance with any of the terms, covenants, provisions, or conditions of Title 20, Chapter 3, Article 7, Arizona Revised Statutes as amended. However, it should be noted that our examination was not directed primarily toward obtaining knowledge of such noncompliance.

To the Board
Arizona Property and Casualty Insurance Guaranty Fund
Phoenix, AZ

We have examined the statement of assets, liabilities, and fund balance of Arizona Property and Casualty Insurance Guaranty Fund as of December 31, 1987 and the related statement of cash receipts, cash disbursements, and changes in fund balance for the year then ended arising from cash transactions. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 2 to the financial statements the Fund's policy is to prepare its financial statements on the basis of cash receipts and disbursements. Consequently, revenues and the related assets are recognized when received rather than when earned, and expenses and related liabilities are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statments do not, and are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the accompanying financial statements referred to above present fairly the assets, liabilities, and fund balance of Arizona Property and Casualty Insurance Guaranty Fund as of December 31, 1987 and the cash received and cash disbursed and changes in fund balance for the year then ended on the accounting basis described above applied in a manner consistent with that of the preceding year.

ARIZONA PROPERTY AND CASUALTY INSURANCE GUARANTY FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1987

1. ORGANIZATION:

The Arizona Property and Casualty Insurance Guaranty Fund (the Fund) was established by legislative action to settle policyholder claims against insolvent property and casualty insurers and is organized in accordance with Title 20, Chapter 3, Article 6, Arizona Revised Statutes, as amended. For purposes of assessment, the Fund is divided into an administrative account, an automobile insurance - account and an account for all other types of insurance relative to the above stated statute. Costs, expenses and liabilities of the Fund are not general obligations of the State of Arizona.

The Fund is under the general direction of the Guaranty Fund Board (the Board) which consists of eleven members representing various insurance organizations and a member of the general public. The purpose of the Board, which is subject to the powers of the Director of Arizona State Department of Insurance, is to administer, operate, and manage the Fund.

The Board is empowered to retain a managing secretary and a claims servicing facility. The duties of the managing secretary are to oversee the administrative functions such as accounting, recordkeeping, scheduling, and other necessary functions. The duties of the claims servicing facility are to administer and process covered claims. The Board retained L. Jean Dempsey, Inc. as managing secretary through March 31, 1987 and Jack Trimble from March 1, 1987 through December 31, 1987. GAB Business Services, Inc. and Frontier Adjusters were retained as the claims processing facilities for 1987. Contracts with all of these organizations expire on February 28, 1988.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting-

The financial statements are presented on the cash basis of accounting which vary from generally accepted accounting principles. Under this method of accounting, revenues and the related assets are recognized when received rather than when earned, and expenses and liabilities are recognized when paid rather than when the obligation is incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Interest Income-

Pursuant to the statutes referred to in Note 1, interest income earned on investments is credited to the account from which the funds were obtained.

Early Access Receipts-

Early access receipts represent distributions of funds from insolvent insurers which become available after reservation by the receiver of amounts for administrative expenses, claims of secured creditors, and other priority claims. These receipts differ from receivership distributions since they are subject to reimbursement in the event that subsequent additional priority claims arise.

Investments-

Investments are stated at cost and consists of one Valley National Bank, seven day, certificate of deposit yielding 6.6% annually which matured on January 6, 1988. This certificate is renewed automatically upon maturity. Investments are restricted to those which are permitted to insurers for statutory deposits pursuant to ARS 20-583.

3. ASSESSMENTS:

The Board is empowered to assess member insurers amounts that are sufficient to pay the obligations and expenses of the Fund. The assessment to each member insurer is made in proportion to net direct written premiums in the State of Arizona of that insurer to the net direct written premiums of all member insurers in the State of Arizona for each account. The assessment is limited to one percent of a member insurer's net direct written premiums.

On November 23, 1986 and December 14, 1987, the Fund assessed member insurers the following amounts;

	1986	1987
Automobile Insurance Account	$ 5,496,937	$ 1,700,124

Assessments Collected During 1986	(6,225,442)	
Assessment Receivable		(5,719,007)
Less - Allowance for Uncollectible Assessments	(31,388)	(44,103)
Net Assessments Collected	$ 940,049	$ 740,406

4. CLAIMS SETTLEMENTS:

Claims settlements consist of payments to the claims servicing facility for policyholder's covered claims including unearned premiums, claims existing before the insolvency, and claims arising within thirty days of insolvency providing the policy is not replaced or expired. All claims are limited by statute to the lower of the face amount of the policy or $99,900.

At December 31, 1987 the estimated outstanding claims, as calculated by the Fund's service bureaus were as follows;

Automobile	$2,580,769
Other	5,434,632
Total	$8,015,401

5. CLAIMS DEPOSITS:

It is the practice of the Fund to reimburse the claims service and adjusting facilities retrospectively for loss adjustment expenses and claims paid by them on behalf of the Fund. Claims which exceed $10,000 are generally prefunded by the Fund. Claims deposits are monies that the Fund has advanced to its claims service and adjusting facilities for the purpose of covering cash outlays made by them prior to billing the Fund. Prefunds differ from claims deposits in that prefunds are for specific claims and are deducted from the monthly billings while claims deposits do not relate to specific claims and are to be returned to the Fund in the event the contract with the claims processing facility is terminated. Prior to the current year the fund had recorded claims deposits as claims settlements. As a result, an adjustment to the prior periods has been made on the books of the Fund (Note 7). Claims deposits as of December 31, 1987 are as follows:

GAB Business Services, Inc.	$ 419,000
Frontier Adjusters	50,000
Total	$ 469,000

6. ADMINISTRATIVE EXPENSES:

A summary of administrative expenses is presented as follows;

6. ADMINISTRATIVE EXPENSES (Continued):

PURPOSE	AMOUNT
Audit fees	$ 7,680
Consulting services - Managing Secretary	66,561

Total administrative expenses	$ 93,064

7. PRIOR PERIOD ADJUSTMENT:

The following adjustments were made to the December 31, 1986 automobile and other insurance accounts and fund balance as previously reported;

	Accounts		Total Fund Balance
	Automobile Insurance	Other Insurance	
December 31, 1986, previously reported	$1,617,207	$5,782,236	$7,403,161
Claims deposits recorded as claims settlement in error (Note 5)	292,000	127,000	419,000
Claims settlements and loss adjustment expenses misclassified by claims service and adjusting facility	382,782	(382,782)	-
Claims settlements and loss adjustment expenses misclassified by former managing secretary	(114,891)	114,891	-
Interest income reallocated as a result of the above adjustments	77,342	(77,342)	-
December 31, 1986, as restated	$2,254,440	$5,564,003	$7,822,161

8. CONTINGENCIES:

The Fund is involved in a normal number of lawsuits incidental to its function. The outcome of such suits in the aggregate will not have a material adverse effect on the Fund since it assesses member insurers for deficits.

The Fund is also involved in lawsuits in which the plaintiffs are seeking to broaden the scope of coverage other than provided in the statutes. The Fund is vigorously defending these lawsuits and, in the opinion of the Fund's legal counsel, the likelihood of an unfavorable outcome is either remote or unknown.

9. SUBSEQUENT EVENTS:

On February 16, 1988 the Board elected to contract with Jack Trimble as managing secretary and GAB Business Services, Inc. and Frontier Adjusters as the claims service and adjusting facilities through December 31, 1989.
